

TYRRELL'S

HUNTER VALLEY SEMILLON 2022

Vineyard

A selection of some of our top Semillon vineyards around the Hunter Valley. Most of the vineyards are dry grown and have an average vine age of 40 years.

Vintage Conditions

The 2022 vintage, in many ways, was a mirror of 2021. With above average rainfall in the winter months, the vines were set up perfectly for the growing season. Cooler temperatures over the summer period meant that there was no rush to begin harvest and we began about a seven to ten days later than normal. All of the fruit was in remarkable condition with intense fruit flavours coupled with high natural acidity.

Winemaker's Notes

The grapes were machine picked in the cool of the night before gentle pressing and fermentation in stainless steel tanks. The wine then spent a short amount of time on yeast lees to gain extra complexity and mouth feel.

Tasting Notes

Textbook Hunter Valley Semillon from an outstanding vintage, the nose is vibrant with an abundance of citrus fruits and floral elements. The palate is medium bodied, yet intense, with great length and a brisk acidity.
