PRIVATE BIN

Membership Application

PRIVATE BIN MEMBERSHIP

Private Bin was formed in 1961 by the late Murray Tyrrell to provide members with access to exclusive small production wines from our premium Hunter Valley vineyards.

Today, our Private Bin wines remain true to Murray's vision; producing only small quantities from our premium Hunter Valley vineyards when vintage allows. Eleven of these blocks are over 100 years old and are home to some of the rarest vines in the world.

MEMBERS RECEIVE:

- Exclusive pre-release access to Winemaker's Selection, Single Vineyard and Sacred Sites wines before the general public at pre-release prices
- 20% off standard Cellar Door prices of all other Tyrrell's wines, excluding promotional offers
- Free domestic freight on orders (*minimum 6 bottles*)
- Priority access to museum and large format wines
- Complimentary standard tastings in the historic members only tasting rooms at the winery
- Invitations to exclusive tastings, events and special offers

MEMBER REQUIREMENT:

Commitment to purchase a minimum of 12 bottles per year from pre-release:

- Winemaker's Selection
- Sacred Sites or
- Single Vineyard

Wines are pre-selected by the member and held in reserve as a 'wine allocation' until release each year.

At the time of signing up, you will be sent the current pre-release vintage of your full wine allocation to activate your membership. Then moving forward you will receive the new vintages as they are released.

Red wines are released in May, Semillon is released in September, and Chardonnay is released in November.

YOUR WINE ALLOCATION

Make your selection of wines (12 bottles minimum) for your annual wine allocation below, then complete the required details on the back of this page and return it to us. For a valid membership, we require wine selections to be in increments of 6 bottles per release, with a minimum of 3 bottles per wine. Wine allocations that do not have 6 bottles listed per release, will be held and sent as a full dozen in November.
