

TYRRELL'S

VINEYARD SELECTION SEMILLON 2022

Vineyard

2022 was an exceptional vintage in the Hunter Valley, producing some of the best Semillons in recent memory, with impeccable balance and intensity only seen in the truly great vintages. This wine is sourced predominantly from our iconic HVD Vineyard, with an average vine age of 30 years.

Vintage Conditions

The 2022 vintage, in many ways, was a mirror of 2021. With above average rainfall in the winter months, the vines were set up perfectly for the growing season. Cooler temperatures over the summer period meant that there was no rush to begin harvest and we began about seven to ten days later than normal. All of the fruit was in remarkable condition with intense fruit flavours coupled with high natural acidity.

Winemaker's Notes

After gentle pressing, fermentation took place in stainless steel tanks. The wine then spent a short amount of time on yeast lees to gain extra complexity and mouth feel.

Tasting Notes

Classic Hunter Valley Semillon from a fine vintage. The nose is vibrant with an abundance of citrus fruits and talcy, mineral notes. The palate is medium bodied, yet intense, bursting with citrus flavours and a brisk acidity.

Date Picked 31 January - 14 February 2022 | **Date Bottled** 6 May 2022

Alc 10.9% | pH 3.24 | TA 7.47 g/L

THE STORY OF VINEYARD SELECTION

Our Vineyard Selection wines are blends from some of the best vineyard sites in the Hunter Valley. These wines are a true representation of our esteemed region and are made exclusively for our winery members.
